

Free Weekend Food For Your Child Available through Weekend Kid Meals

Manchester Community Resource Center (CRC) is teaming up with the staff of Manchester Community Schools to offer a supply of nutritious meals and snacks for children free of charge over the weekends when school breakfasts and lunches are not available. Bags containing food items for two breakfasts, two lunches, and two snacks will be distributed discreetly by caring school staff each Friday through May.

Any child eligible for free or reduced school meals and enrolled in Klager Elementary School or Riverside Intermediate School are welcome and encouraged to participate in the program. Families participating are expected to engage with programs at the CRC.

If you believe your child could benefit from this program, we encourage you to sign them up by filling out the attached form and returning it to their school's front office or completing this [WKM Electronic Enrollment Form](#). Only one form is needed for all the children in your family, as long as all information is included for each child. This information is kept confidential between Manchester CRC and Manchester Community Schools.

Once your child is signed up, they will receive bags of food each week through May or until you no longer wish to participate. We encourage you to take advantage of this program for your family and your children.

Questions or concerns? Please contact Heidi Stein, school counselor, at 734.428.7442 ex. 1248 or via e-mail at hstein@mcs.k12.mi.us.
