OLD BUSINESS

- A. Reconfirmation on the Extended COVID-19 Learning Plan - Dr. Bezeau spoke about the assessments that have been given to kindergarten through 8th grade in math and reading. Thanks to Amie Armstrong and Heidi Huber-Stein all students, both in-person and virtual, have been tested. Discussion about going back to in-person learning five days a week. Fegan said she’s spoken with families that want to get back to full five days of class. Koch spoke of the deep cleaning on Wednesdays and the increase of COVID cases. Rothfuss has heard a lot of positives about the four days versus the five days. Harvey understands staff likes the four days, but as a parent she feels the virtual day is more like a filler than actual instruction. Tindall had a concerned parent reach out to him regarding the difficulty they are having getting some one-on-one with the teacher for their child who is attending virtually. Mann had a shout out to parents and staff, and also maintenance/custodial on keeping the rooms clean. Will reassess in November about going back to five days, or keeping the four days. The Board reconfirmed the Plan as presented. Motion by Fegan, supported by Austin. Roll call vote: All yes (7-0)

NEW BUSINESS

B. Grievance; Level IV - MEA - Regarding Mentor pay for a first year Manchester teacher (several years in another public school prior to coming to Manchester). MEA looking for first year stipend, MCS has always paid third year stipend for this. Much discussion about contract language; most agree it is a little unclear. B. Gerbe (MEA) spoke; B. Bezeau (admin) also spoke. Mann made the motion to stick with what has been done in the past (third year stipend pay) and look at contract language more closely soon, Fegan supported the motion. PUBLIC PARTICIPATION

E. Supers (1st Grade Teacher) spoke about going from four to five days of school. Klager teachers really use that day to prepare for the week; especially for the virtual piece. This is also time for her and Mr. Walsh to help other teachers with tech development. Please consider that when making the decision to go back to five day a week in-person learning.
