

Good Evening, Manchester Community Schools,

The following are The Weekly Highlights for The Manchester Community Schools for The Week of December 7, 2020:

1. The Updated Learning Plan for The Manchester Community Schools:

The following is a reminder from last week regarding the latest Update to our Manchester Community Schools Learning Plan as we continue to navigate the current status of the COVID-19 virus in our community and in our schools. Again, **we are planning to return to In-Person learning for our In-Person learning students for Grades Kindergarten through Twelfth Grade on Thursday, December 10, 2020.** Remember that students that were "Remote Learning" students prior to our most recent "pause" can and will continue receiving instruction from that Remote Learning platform. Also, any families that wish to transition from In-Person learning to Remote Learning during this time can do so by contacting Superintendent Bezeau and the individual building principal. For our In-Person return, we will continue to conduct our Virtual Wednesdays asynchronously with all students learning from home on **Wednesday, December 9th and Wednesday, December 16th** with a review of these days taking place at The December Board of Education Meeting and a determination of "Virtual Wednesdays" for the month of January, 2021 and beyond

Also, please remember that all of this is contingent upon any updated orders and requirements from the State of Michigan. There is still a chance that the existing orders will continue as they are, and this would keep our 9th through 12th grade students in the Remote Learning format. If things stay as they currently are, we would still move forward with our planning to bring back our In-Person Kindergarten through Eighth grade students to the In-Person, in building format beginning Thursday, December 10th.

2. Our Next MCS Board of Education Meeting is Monday, December 21st!

Please mark your calendars and join us on **Monday, December 21, 2020 beginning at 6:00 p.m.** for our next Manchester Community Schools Board of Education Meeting via the following Google Meet Link as we honor and thank current Board members Chris Fegan, Karen Rothfuss, Jeremy Koch, and Tom Mann for their service and dedication to the students and families of the Manchester Community Schools as Board of Education Members!
